Key dates in the examination cycle, 2018/2019

There are key dates for the main examination series of **GCSE, GCE and Project qualifications** which are common to all of the JCQ awarding bodies.

These include dates for access arrangements, entries, submission of centre assessed marks, release of results and final dates for post-result services. Centre staff with teaching and administrative responsibilities will need to be aware of these dates.

Dates appear on timetables and in various awarding body and JCQ documents. However, sometimes a simple date cannot be found quickly when the need arises.

The 'need to know' dates for the academic year 2018/2019 are listed on **pages 2-4**.
